David and Bathsheba: A Cautionary Tale
2 Samuel 11

**Discussion**

1) People don't "fall" into sin, they walk into it... What we're the mistakes David made leading up to his sin with Bathsheba and what precautions could he have taken to avoid it?

2) All sin has consequences and repercussions, but how does sexual sin differ from other sins?

3) How can we remain sexually pure in a "sex crazed" culture?

4) What counsel and/or encouragement would you share with a brother or sister who is struggling with lust and sexual sin?

**Prayer**

- For personal purity and holiness
- For the personal needs of your LifeGroup
