Principles for Success
Matthew 7:7-14

**Discussion**

Continuing with the Sermon on the Mount, Jesus gives us 3 principles for success; Persist in prayer, practice the golden rule, and pick the narrow path...

1) Why is it important to persist in prayer when God seems silent?

2) How do you respond if others choose not to do for you what you do for them?

2) How can we be certain we're following the narrow path that leads to salvation?
